REMARKS

This paper supplements the Amendment filed by facsimile on March 5, 2004.

Claims 1-42 are pending. Of these, claims 15, 16, 18 and 24-39 have been withdrawn from consideration pending allowance of a generic claim. Consideration and allowance of the withdrawn claims is requested upon allowance of generic claim 1.

Claims 1, 3-9, 17 and 27 are amended herein. The amendment to withdrawn claim 27 merely corrects the dependency of the claim to provide proper antecedent basis. The amendment to claim 1 clarifies that the outside surface perimeter of the first glazing pane is placed adjacent to the support surface with a first adhesive therebetween. This adhesive can, e.g., comprise a sealant or other material as set forth in the dependent claims.

Entry of this Supplemental Amendment and allowance of each of the presently pending claims is respectfully requested. If there are any remaining issues that need to be addressed in order to place this application into condition for allowance, the Examiner is requested to telephone Applicant's undersigned attorney.

Respectfully submitted,
